

Bath Film Office Privacy Policy For Its Online Film Permit Application System

The Bath Film Office will use its best endeavours to safeguard the privacy of clients that apply for a film permit with the Bath Film Office using FilmApp.

This policy explains the data processing practices of The Bath Film Office with regards to FilmApp.

What information do we collect?

We ask you to register your name, telephone number, address and email address. Plus additional descriptions of the filming you want to take place.

What do we use personal information for?

We use the information to liaise with you regarding the proposed filming. We may also use the information provided to contact you regarding payments related to the film permit.

We do not use your personal information for marketing purposes.

Your details will be passed on to a third party service provider – Apply4 - who is contracted to the Bath Film Office in the course of dealing with your request. This third party is obliged to keep your details securely and have their own GDPR compliant privacy policy. You can read their policy here <https://filmapp.org/Detail/privacy.aspx>

Email Messages

We may contact you by email as part of the permit application process.
