

# Burgess Park

## Terms and Conditions for using Burgess Park

- Access for Unit Parking onto **New Church Road** is via the **Southampton Way Barrier only**.
- All Unit and Production vehicles are to be situated on the right-hand side only, on the approach from the Southampton Way Barrier. The left-hand side of the carriage drive must be kept clear of vehicle parking at all times.
- To minimise vehicle manoeuvring and potential risks to park users, we ask that vehicles **exit via the Wells Way Barrier**
- **New Church Road should operate a one-way system for vehicles** – except for departures when trailers, will need to manoeuvre, so they can leave via the Southampton way barrier.
- All engines need to be switched off once statically parked.
- No trailers with slide outs are permitted to park on the bend of New Church Road please see area circled in **RED** on the map.
- Access and egress on pedestrian thoroughfares and pathways must be maintained at all times.
- All Production need to advise Crew and Security Teams that **New Church Road is constantly used throughout the day and night** by pedestrians, cyclists and some motorcyclist who can legally pass through it.
- If the park is unlocked outside park opening times, security staff must be on duty throughout the Production's occupation of the site.
- A minimum of 3 Security staff or Marshalls must be on site at all times to manage and coordinate the Unit Base. Security personnel must be polite and courteous to park users throughout their stay in the park.
- **Both barriers at either end of New Church Road should be locked or manned at all times.**
- No rubbish to be left in the park on departure. If any rubbish is found, this will be treated as fly tipping and the film company will be fined.
- When driving vehicles through the park, all drivers must obey the speed limit 5mph).
