

# Bloomsbury Square

## Terms & conditions for filming at Bloomsbury Square

- No filming or vehicle movement between **23.00 – 07.00** unless agreed in advance.
  - Silent running generators only must be used and parked away from residential properties. Generators can only be parked in the bays at the very end of Bloomsbury Place (at junction with Southampton Row) or the south-east side of Bloomsbury Square.
  - A minimum of 3 weeks' notice for medium- large scale filming
  - This area is used for filming regularly so if possible, we would appreciate a donation to the local residents' association via Camden Film Office.
  - Equipment must NOT block the pavement and should be neatly positioned.
  - A Film Proposal Letter should be distributed immediately after the initial contact to include all houses in the street and adjacent streets in accordance with Camden's
- T&Cs for Filming. The Letter must include the film company's contact details, a summary of what is proposed and a plan showing proposed parking arrangements.
- Having allowed time for residents to respond, and no less than one week before filming, a letter should be distributed with the full details and the parking plan that has been approved by Camden Film Office on the reverse.
  - Bowsers must **NOT** be emptied on site.
  - Generators must **NOT** be refueled on site
  - Private cars **NOT** to be parked in suspended bays – we can arrange parking for crew cars at Bloomsbury Sq underground car park for £20 per car.
  - Parking permits for single yellow line outside Victoria House are available provided permission is obtained from Victoria House.

- **Victoria House contact:**
