*Admin Fees

These fees are calculated per hour of administrative time. The figures quoted are therefore a minimum charge and may be multiplied accordingly for particularly time intensive applications. Admin fees apply to any application including parking and traffic control.

*Lead In

Please note that longer lead in times will be required for any shoots that involve engagement with residents or suspension of residents' bays.

*Bay Suspension

Please note that if you suspend the same bay(s) again within seven days of your initial suspension ending, the combined days will be classed as one continuous suspension.

*Tow Truck

For relocating vehicles parked in your suspended parking bay.

Extra Info

- The fees listed above are exclusive of VAT
- For all applications, payment must be made before filming is due to start
- Payment can be made by card online, or by BACS with a screenshot as proof
- Parking will not be processed until payment is received so you are advised to pay immediately and send a copy of remittance advice or screen grab of payment to ensure your parking is processed within the lead in time
- You **must** have Public Liability Insurance with a minimum cover of £5million in order to gain a licence to film; £10million for drone filming.
- Please be aware that some charges may still apply to cancelled applications if processing has already taken place
